

## Nasal Treatments for Dryness and Nosebleeds

### AQUAPHOR HEALING OINTMENT

One essential solution for many skincare needs: Aquaphor Healing Ointment is uniquely formulated to restore smooth, healthy skin. This multi-purpose ointment protects and soothes extremely dry skin, chapped lips, cracked hands and feet, minor cuts and burns, and many other skin irritations, so you can get on with your day comfortably.

### PONAIRS OIL

#### Exclusive Prescribable Therapy

- Colds (Sinusitis)
- Atrophic Rhinitis (acute, chronic, allergic)
- Post-nasal drip
- Epistaxis (due to irritations of dried mucous membranes)
- Rebound sinus reaction from drugs and smog

### SALINE NASAL GELS

Gels help moisturize nasal passages to prevent the drying. These can also be used throughout the day with the above products.
